Religious Ministry Services

Religious Ministry Services FY15

Mission: The Chaplain Corps is committed to deliver Religious Ministry characterized by cooperation, tolerance, mutual respect, and respect for diversity in the Navy, Marine Corps, and Coast Guard. Religious Ministry Team (RMT) of Chaplains and Religious Program Specialists (RP) advocate spiritual, moral, ethical maturity and resiliency of service members. The RMT assists and supports service members, their families, and other authorized personnel in coping with military life. RMT's covenant to serve our nation's military members, engage with leadership, and meet professional standards by:

- **Providing** professional religious ministry through worship services, religious education, weddings, funerals, and other religious rituals, rites, and ordinances.
- **Facilitating** for the religious needs of service members from other religious traditions by identifying their religious needs and coordinating support from other chaplains, civilian clergy, and lay leaders as needed.
- **Caring** for people with dignity, respect, and compassion, regardless of an individual's beliefs, and making informed and professional referrals. Chaplains are available 24/7 with confidential counseling to ensure service members and their families have the spiritual resilience to cope with the inevitable hardships of military life.
- **Advising** and strengthening the chain of command in the development of leadership by providing advice to leaders at all levels. Chaplains serve as the principal advisor to the commander for all religious matters and the impact of humanitarian concerns of military operations. They also advise on moral and ethical decision-making and foster a climate of fairness, trust, and accountability regardless of faith perspective.
